Engaged learning. Inspired leaders. Global citizens.

Department of Performing Arts

The department offers a rigorous **B.F.A. in Dance Performance and Choreography** and an interdisciplinary B.S. in Dance Science. The Dance Performance and Choreography degree prepares students with a unique and intensive course of study designed to give students the knowledge, experience, and professional exposure dancers need to build a successful career as a professional dancer and choreographer. Students may double major in the B.F.A. and the B.S. **An audition is required for the B.F.A. but not the B.S.**
